

# LEMONS & MEHNDI

HAIR • MAKEUP • HENNA 2022 - 2023

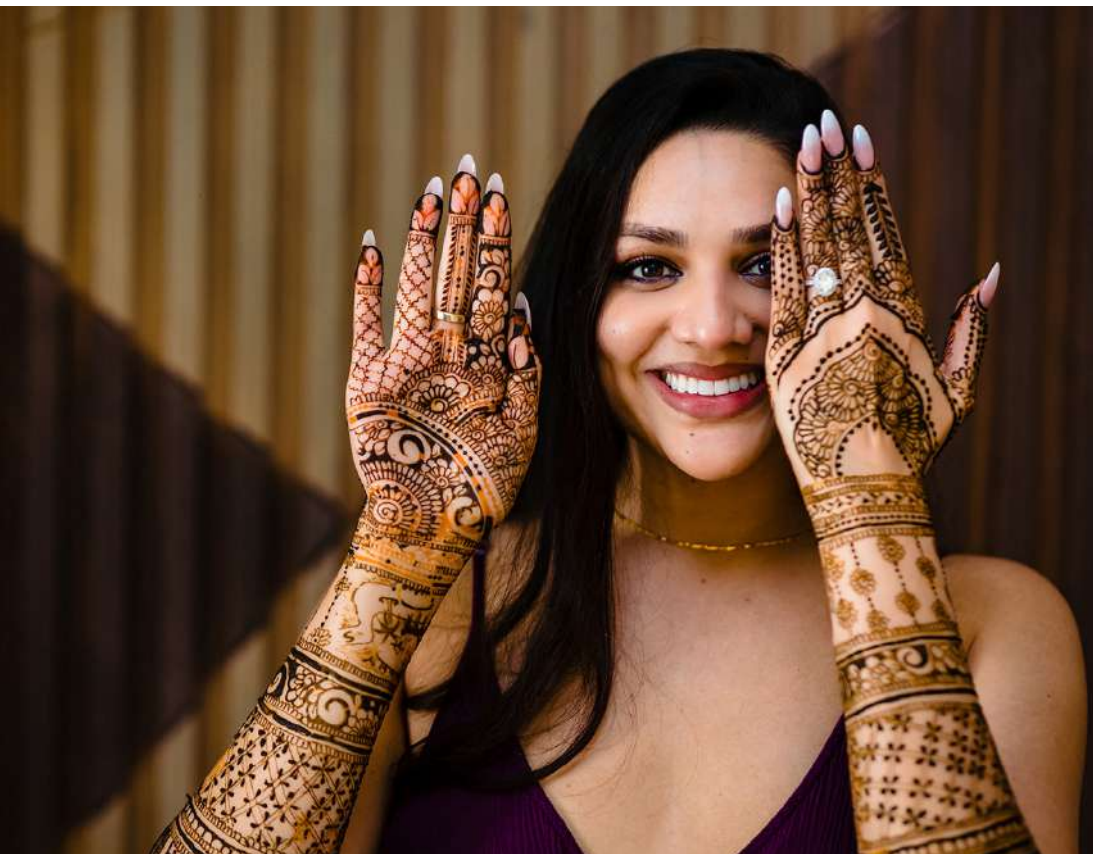

## *Dear Future Bride...*

The Styling Trio team understands the South Asian style wedding, no matter what the faith and origin, we are aware of the customs and traditions that are reflected in all of these beautiful ceremonies.

Styling Trio celebrates culture and tradition with our sister company, Lemons & Mehndi. Together we offer full-service hair, airbrush, makeup, and Mehndi packages for the South Asian bride. We also use only the highest quality organic henna, mixed by hand, for our bridal Mehndi and Mehndi design parties.

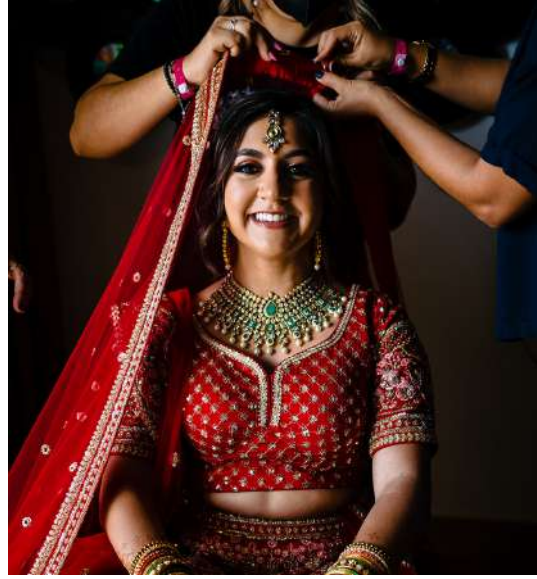

*Sincerely,  
Styling Trio*

Thank  
you for  
choosing  
México  
for your  
big day!

# ABOUT US

Adrian Guerra is an expert makeup artist and visionary with over 14 years of experience working at the top of his field in both New York and Houston.

Given his training at Henri Bendel in the big apple, it is no surprise that his attention to detail and professionalism are a cut above the rest.

A visit to Playa Del Carmen years ago changed Adrians destiny. He fell in love with the city and its surroundings and decided to bring his expertise to his magical destination.

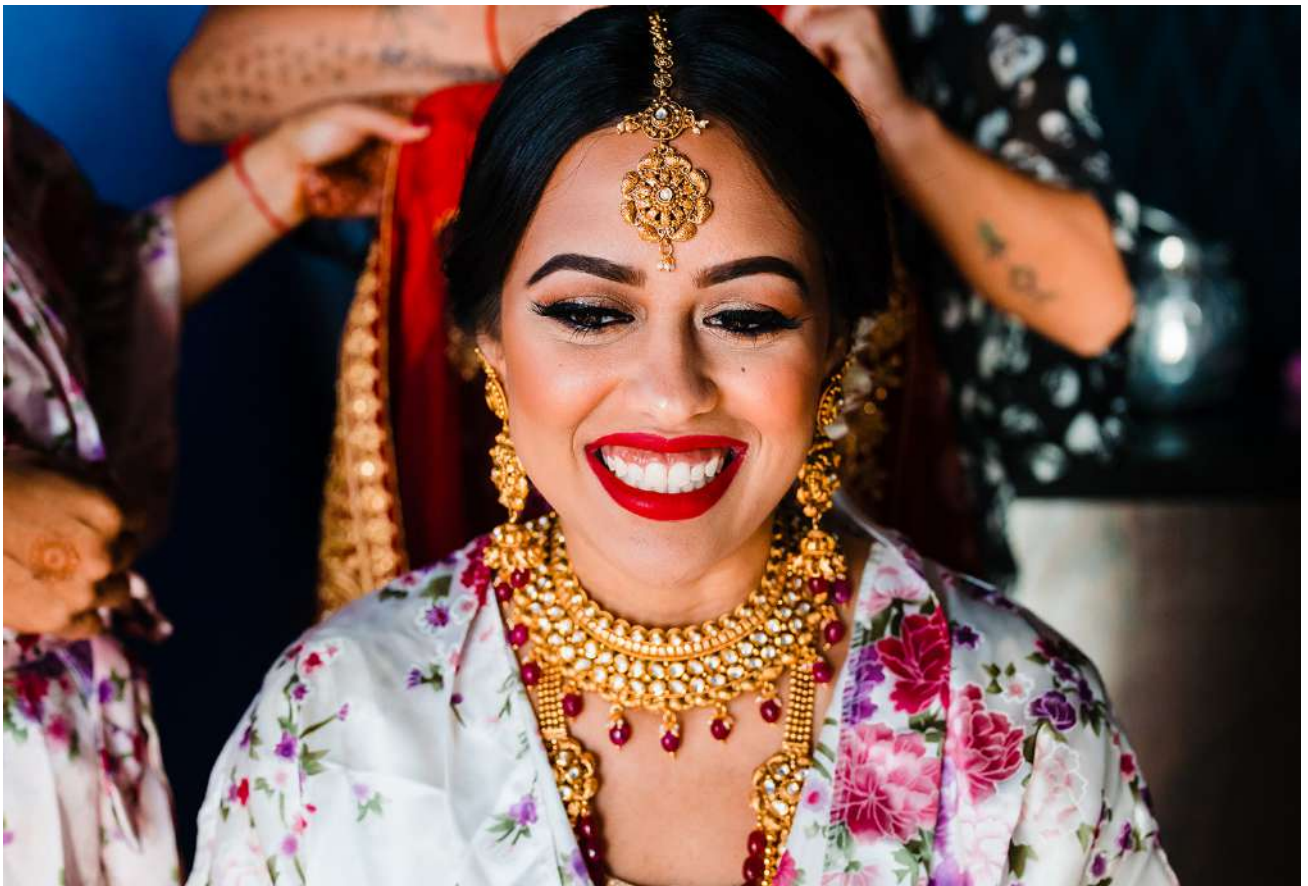

Guerra founded styling trio riviera Maya in 2009. He was the pioneer in HD airbrush makeup in the area and now today's top choice for brides getting married in this tropical climate.

With hard work, a clear vision, and a fantastic team beside him, Adrian has built Styling Trio as the premier choice for brides searching for the best hair stylists and makeup artists for all beach destination weddings in México and now Punta Cana, Jamaica, Dominican Republic.

Our expert team is trained in different looks and styles to excuse the expectations of any bride from any culture and ethnicity.

Adrian and his team are at your service to do what they do best...Beautifying!
